Looking for a charcoal, and a blue cab in either 2-15 or 4-12.. Preferably with speakers, but if empty that may work as well. It would be one more piece of the puzzle solved...

Thanks
Steve

I picked up a 4-12's cabinet last month in Wisconsin at Music Go Round for \$200 in blue. I'm looking for one also or even a small 2-12's of the newer style. Haven't seen anything in charcoal but will keep my eyes open for you.

So do you have plans for the 4-12 in blue?
