I have 2 original Kustom expression pedals for a 250-4 . One is the larger size, older I believe, but works backwards, up is the "Wha" sound. I don't think it's been modified at all.

I also made a 4 button foot switch for the 250-4 effects out of a four button Fender switch with the 6 pin connector.

Hi,

Are these still available? What would you accept for them? Can you ship to Oklahoma City 73127? Feel free to PM me.

Best wishes,

Robert

Hi Greg!

This is a long shot, but I was wondering if you still had a 4 button footswitch for a Kustom 250-4.

Thanks !!

Gary

Hi Gary,

Sorry for the late response, but it was sold.

Thanks,
Greg
