Up for grabs is K150-5 PA with 2 columns, two columns with 4 10's in each column. Comes with a K150-5 amp. The front blue buttons do not work. A new toggle on/off switch has been installed on the back panel with an inline fuse. Condition is good, I'd say 5-6 out of 10. Color black. . They are located in Murfreesboro, Tn. Local pickup. For \$\$ I may go meet you.. Photos on request. ***\$350.00*** I am open to trades as well... Thanks
