Subject: KB150-1 T'n'R Sleeve/Case Posted by HarrySeven on Tue, 27 Oct 2020 16:15:33 GMT View Forum Message <> Reply to Message

Hiya.

I'm based in the UK and have just acquired a k150-1 amp head, but it's missing it's Tuck 'n' Roll sleeve/case.

I just wondered - are any other sleeves/cases interchangeable, size-wise?

Thanks! :)
