Don't know if this is of any interest...but just found a listing for two NOS 2-12 cabs; Charcoal. Says bought in 70's never used...Absolutely new condition, with original covers...Charcoal!!! Who does that make you think of!! Don't know if the guy is on the up and up but, thought I would let the gang know. Item #1435293382 Take care gang!

I have talked to the guy already and he has repeated his claim of mint. No pictures, but seems like a interesting purchase option! Jc
