Hey Smoke, are you bidding on the Red K100 bottom on Ebay? I really would like that unit considering there are so few. I won't get into a bidding war with you however. Let me know if you are really rEaLIY REALLY interested in that unit. I have been asking for a red unit for a couple of years now and this may be the start. I don't want to raise the price for you if you want it. I would rather see us trade on this board rather than escalate the prices on ebay. Thanks.

Heyguys, this is gary, I'm a new member and I'm bidding on that red as well! I saw it and wondered if it was'nt the one I lost(ahem) on a gig at Zivko's some years back, I'd love to have it back but don't have a ton of dough. I know it rocks with a 60's bassman head!

Zivko's??? Another Wisconsin boy? I probably won't bid until the end but I WON'T get into a bidding war. It does each of us no good. I thought 1Smoke1 is Smoke on this site. I haven't heard anything so I felt it was fair game. I still might.

Bids went up so bidders names removed. Whoa Nelly So Who's 8 and who's 9 bidders today? . If these are NOT you 2 guys then I might jump back into the bidding. Hate to see an outsider get these. Gary What does lost at a gig (ahem) mean? Stolen That sucks....What town was that in?

OK. That is the answer I was looking for. I am kollecting as many colors in K100's as I can. So far I have Cascade, Blue, Charcoal and Gold. Red is extremely hard to find. I am willing to buy it piecemeal. I would go \$300 but probably no higher. (I do lie on occasion). I have not bid yet and won't until the very end. I refuse to bid on the first day. That just drives the price up. Sorry you guys who sell on eBay. Just be honest in your desire to buy that red one. I'll respect your wishes. I think we need to stick together and get these beauties in the VintageKustom fold. Hey Gary, if you are in the Milwaukee area, I use my gear to do sound for a couple of bands and in Waukesha Frame Park during the summer for PA work. I have a good time. My kids use all of it when they play but not recently.

I can't compete with a bus riding honey. I'm out! Actually, I was never in.  
I'll let you know where the Kustom's are lurking. Saturday, March 31, Pier 347 in Pewaukee with Sol Set. A very good young band.
