---

I have 4 stock/working preamp boards for sale that will work in any k150 k300 or k600 PA head for sale.

All of these boards work fine, the control`s and input jacks have been cleaned.

25 dollars each, and you pay for shipping.

I also have for sale 4 of the metal face amp rubber reverb pan stand off supports and these are also in great condition.

The price is 8 dollars for all 4, and once again you pay the shipping.
