I have this amp that was given to me by a family member. Unfortunately, I need to sell it. I'm unsure what's the going rate for this amp so i'm hoping someone can give me a fair price. Or at least tell me what's the going rate. I'm located in Chicago for pickup.

Good day. I know this post is old but I am looking for a 1972-1975 custom II lead guitar amp. I would purchase same from you if it still available and come to Chicago to pick the amp up. I live in Michigan. Please let me know if the amp is available or if it has sold Thanks
