I do still have the amp. I am in Japan right now and will be back in the states on July 4th. I will repost the ad when I return home so you can check it out.

Hey,  
I just got back in town, and I reposted the craigslist ad. Check it out, and if you are interested, give me a call.

Hey,

I never heard back from you about the amp.

Anyway, if you are still interested, I dropped the price to \$400. I no longer have an electric bass, so it's just sitting in a closet and I'd like to see it go to a good home. If you are interested, let me know.
