Hi You All,

I picked up a Kustom K200b body at the music store yesterday and was wondering if it has any value? It looks to be the "zebra" finish and to be in very good condition. There are no electronics or hardware. Any ideas on value? Thanks in advance

I might be very interested if you could send me some detailed pics. [iquester\(at\)cox\(dot\)net](mailto:iquester(at)cox(dot)net).
