For sale is a vintage Kustom 70's era K 250-2 and 215-G "Tuck & Roll" bass/guitar amp and cabinet.

It is fully operational and sounds great! It has some normal wear and tear but otherwise, is in really good shape! Also comes with a cover for the cabinet. I don't know what year it was made but the serial # on the amp is 73962 if that helps.

I am asking \$500.00 OBO for this set. I am also open to trading for an all tube guitar amp (Marshall JCM 900 combo amp or similar).
