Kustom K100-2 Amp (black), mfg - 1969 This is a vintage Bass Amp. This is the same amp used by popular recording artists like Leon Russell, Johnny Cash, Roy Clark, John Fogerty of Creedence Clearwater Revival.

These were the amps used at Woodstock and other music festivals of the 60s & 70s.

Included in the photos (link at the bottom of the page) is an original retail catalog listing for \$595, makes this amp is a great deal at \$300. Also in the photos is a current Blue Book of Guitars valuation.

This amp is in excellent condition, the only one cosmetic blemish is a small cigarette burn on the top of the amp head. The electronics and speakers are in excellent condition.
