1972 Commander in great shape both mechanically/electronically and cosmetically. No damage in the tuck and roll. Trem, Vibrato, Reverb, EQ all work great.

I've developed back and neck issues that make this amp too heavy for me to move and enjoy. Not interested in shipping it, amp is located in VA suburbs of D.C. It is listed on Craigslist in DC if you want to see pictures. Or PM me and I'll email you some pictures. Asking \$270. Thanks
Bill
