Just purchased a blue 3-15's cabinet. I'm keeping the speakers, handles, and the bass ports. Was told that the grille cloth is all intact and a small tear on side of T&R. Does have casters. I have no need for another cabinet nor any place to put it. Will ship and accept any reasonable offer. Marshalltown Iowa.

Decided I want to sell the cabinet complete. Its too nice to sell as parts and the CTS speakers are not what I really wanted. I'm asking \$300 plus shipping. Send me your email address and I will send pictures to anyone interested. Thanks.
