Rare and unique 1965 Vintage Kustom "Frankenstein" guitar amp and cabinet for sale. Model C495. s/n 2799. Serial number indicates that this vintage amplifier has been built in 1965, only 1500 has been made this year. This is a collectible piece of history in amazing mint shape and warm transistor sound. Everything is working, with original covers. Loud as a monster! Local pickup only. PM me alexzilov@gmail.com
