Just seeing if there's anybody that's interested in buying multiple pieces in Southern California.

Lots of Kustom heads.

Several Kustom Bass stacks.

Kustom PA.

Two Kustom guitar combos.

Red Krossroad full bass stack.

White krossroad bass combo.

Before I devide everything up. Just seeing if anybody is interested in buying an okay size lot of gear.

Interested in gold K25 or k50 and Cascade in the same models one or the other model. I am just trying to finish up my all colors in the little ones. I have a lot of large amps, but want to have all colors of the tiny ones.

Dear Colleague, I may be interested in a Black K200 B5 PA Head. Would you also happen to have one of the chrome stands for that head? Cordially, mjpalkow.

I'm looking for a cabinet in red. 2X12 would be ideal but I'm open.
