Sad to say, but I am moving (from Germantown, Wisconsin) and must thin the herd.

I need for someone to come get this stuff out of my basement. As such, I have a righteous deal for you:

SOLD 5/10. I have a K200B, a 200-3, a 150-8, two 2x15 cabs (one with CTS, one with JBL), and a 2x12 cab. See photos for details.

Looking for \$250 firm for each head/cab combo, \$100 for the 2x12 cab, and \$150 for the 150-8.

Or you can pick them all up (I'm not shipping them) for \$600.

OR

Do you have a Fender Deluxe Reverb? we could barter for that.

I haven't used any of this in about a year, but all was fine when I checked last. The 200-3 is a "beater" on the outside, but Chicagobill reworked the electronics pretty extensively, so looks can be deceiving.
