Thanks for the Mammary's Mr Hefner!

Oh sorry, that's memories!

No wait I guess it's both, lol!

Just remember that on every cover of the girl, if there was a star in the letter P of Playboy, that meant the Hef had nailed her. I can't believe he lasted this long and didn't die of something earlier if not from a heart attack from Viagra. R.I.P. you lucky stiff.....literally.
