Just seeing if anyone has a set of casters with the mounting plates for one of my 2x12 cabs. And I'm also looking for handles I currently need around 20 so I would be willing to take whatever you have.

And I am still looking for a case for my Kustom K200 Bass.

Thanks.

the casters can be had from Grainger supply , # 5X758 for 8.95 each.
The long caster mounting plate you are going to have to make from Alimunum bar stock which can be had from most hardware store, or once again from Grainger.
