I have a good amount of Kustom stuff I need to sell to help fund a new business I have opened. My shop is in Northeast Oklahoma if anybody would be interested in checking some of the stuff out. <https://www.facebook.com/MattsMusicOK>

Ive been hitting you up for over a month on FB, but you dont seem too interested in letting me know what you have or what you want to sell them for. :(

So far, I have bought Kustom stuff from Texas, Louisiana, Arkansas, Mississippi and Minnesota. I am driving 8 hours to Georgia this Saturday for a charcoal 4x10. So 10 hours isn't that crazy if we can work something out.

Cody I'm sorry you weren't satisfied with our communications over Facebook. I do feel the one star review you left on Google was unfair and undeserved. I'm politely asking you to remove the review. Thank you.
