I've got a Jensen C12N 16ohm from a K200 3x12 cabinet from 1970. It was reconed by Kustom back in the day, and works great. It sounds identical to another C12N from the same cabinet that was NOT reconed, so I know they must have done it right.

$60 plus shipping.

This speaker has been sold, sorry. (I don't know how to delete a For Sale listing)
