Are any of these still available? If so, where are you located?

We are located in Bedford, VA.  
We have sold the Blue, but have the rest still available.  
We also have quite a few others for sale.  
Where are you located?

Im in New Orleans. Definitely trying to get some more Kustom bass cabs.

I drove to Houston earlier today for a silver zodiac K200 head and matching 2x15.

Hey I need a blue head to match a cabinet that I have. Would you be interested in selling it separately or are you trying to sell it as a stack?
