Hey everybody,

I'm looking for a pair of columns in either 4x10 or 4x12 size. I would also be interested in a single column but if anyone has a pair that would be ideal. I am located in Baton Rouge, LA and will travel a few hours to meet or get them. I may also be interested in 2x15 cabinets, especially ported, if anyone is looking to get rid of one or two.

Thanks
